Peace Now
2015

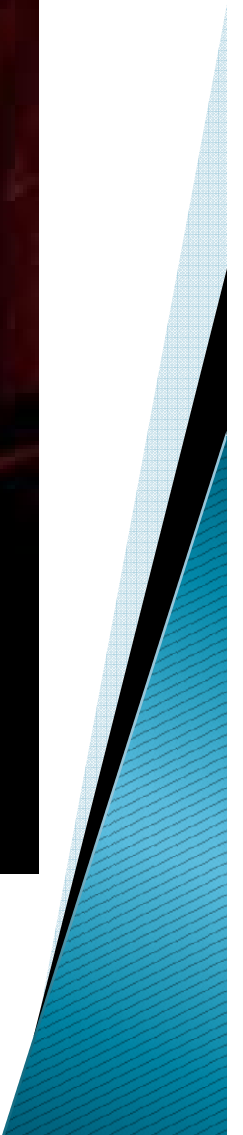

23 December

A dramatic sunset or sunrise over a body of water. The sky is filled with large, dark, billowing clouds that are illuminated from below by the sun, creating a golden glow. The sun is partially obscured by a cloud near the horizon, with its light reflecting on the water's surface. Several dark, silhouetted islands or landmasses are scattered across the water, some with small white structures visible. The overall mood is serene yet powerful.

*For what reason
are we in favour
of PEACE?*
